## Female Weakness

"Last Fall," writes Mrs. S. G. Bailey, of Tun-  
nelton, W. Va., "I was going down by inches,  
from female disease, with great pain. After tak-  
ing Cardui, Oh! My! How I was benefited! I  
am not well yet, but am so much better that I will  
keep on taking Wine of Cardui till I am perfectly  
cured."

Despite the envious attacks of jealous enemies  
and rivals, Cardui still holds supreme position  
today [as in the past 70 years] for the relief and  
cure of female diseases. It stops pain, tones up  
the organs, regulates  
the functions, and aids  
in the replacement of  
a misplaced organ.

## He'd Find It "O. K."

The Philadelphian was staying at a  
hotel in a Georgia town. He rang  
for an attendant whom he asked if  
bathrooms were provided.

"Yesuh," answered the negro, "we'  
se got some nice tubs," and he pres-  
ently returned bearing on his shoulder  
a coffin with silver-plated handles  
and lid all complete.

"What do you mean by bringing  
me that?" demanded the traveler.

"Eats de bathtub, sah."

"The bathtub?"

## Carnegie Library for Balto.

(By Associated Press.)  
BALTIMORE, MD., Nov. 26.—  
Through General James A. Gary, An-  
drew Carnegie has offered the city  
of Baltimore \$500,000 to devoted to  
the erection of twenty new branches  
of the Enoch Pratt Free library. The  
conditions attaching to the gift are  
that the city shall provide the neces-  
sary sites and shall maintain free  
public libraries thereon at a cost of  
not less than ten per cent. of the  
cost of the buildings.

Jack—What's the difference be-  
tween the odor of a rose and a  
counterfeit copper?

Dick—I hate to give up anything  
with money in it, but I do. What's  
the answer?

Jack—One is a good scent and  
the other isn't.—The Bohemian.

a rich "better half," he is also apt  
to find better quarters.

## BUSINESS SENSE.

A Well Ordered Desk Means a Well  
Ordered Mind.

"There's one piece of advice," said  
the senior partner, "that I'd like to  
give every young man taking a busi-  
ness position with a desk attached to  
it. It's this: Keep your desk clean.  
What I mean by having a desk clean  
is keeping everything possible off it  
except that which is related to the  
matter in hand. I've observed in my  
time a good many men in their offices,  
and I can say that with very few ex-  
ceptions the real men of affairs are  
those who are free from clutter.

"With a lot of papers in front of you  
it's almost a certainty that some hour  
in the day you're going to be flustered,  
and it will be just when  
you want to lead. The old idea  
that a mass of material every which  
way on the desk is a sign that a person  
is full of business is pretty well out-  
worn. Such a collection not only indi-  
cates a lack of order, but also is a sign  
that nervousness may be expected from  
the man in the chair. What with filing  
cabinets and other devices no excuse  
can be offered nowadays for confusion.

"A well ordered desk means a well  
ordered mind, a mind taking up one  
thing at a time and giving it the proper  
attention. It denotes regularity and  
concentrated, effective effort."—New  
York Press.

## Easy Going Dutch Spelling.

In the good old days when the Dutch  
were supreme in the administration of  
the affairs of New Amsterdam every-  
body knew everybody else, and it mat-  
tered little how proper names were  
spelled. Modern lawyers and civil  
service reformers would be shocked  
at the orthographical freedom of the  
clerks of the burgomaster's court of  
those times. Here is a sample case  
taken from the old Dutch records in  
which the name of a plaintiff is spelled  
five different ways:

In a case before the court in 1655  
Jan "Hacksins" is a complainant against  
the Inspector of tobacco, who has cer-  
tified to Jan "Hacksins" that the to-  
bacco was good. The Inspector says  
in his defense that he inspected the  
tobacco at the request of Jan "Hacks-  
ins" on June 26, and aforesaid "Hacks-  
ins" kept the barrel of tobacco until  
the 30th without finding out that it was  
bad. Then Jan "Hacksins" has some-  
thing else to say in the case.
